
CDEA Membership Application Form

Canadian District Energy Association (CDEA) Mission

The CDEA will support the creation of a shared understanding of District Energy systems, increased community receptivity, and expanded industry capacity so that DE project implementation will be accelerated across Canada.

Now is an exciting time to be a CDEA member. There are many benefits to being a CDEA member which place businesses, organizations and academics at the forefront of Canadian District Energy news and innovation. Membership is available in various categories designed to reflect industry standing. Members receive many benefits including:

- ✓ Exclusive opportunities for networking with industry experts, leaders and academics
- ✓ Discounts on our annual Conference & Exhibition
- ✓ Speaking opportunities at CDEA events
- ✓ Subscription to the CDEA's industry newsletter
- ✓ Advocacy for district energy policy
- ✓ Customer engagement opportunities
- ✓ Access to national and international study tours, research projects and best practices
- ✓ Member information exchange and technical support
- ✓ Forum to share DE news or professional opportunities
- ✓ Access to education modules and professional development opportunities
- ✓ Opportunity to participate on technical and research subcommittees
- ✓ Interface with DE champions from across the country and abroad

Membership of the Association consists of five classes as follows:
